

MASTER PLANNING PUBLIC FORUM

*Your Voice
Our Future*

April 30, 2009

7:00 to 9:00 p.m.

Agenda

6:30-7:00	Registration, Networking, Exhibits
7:00-7:20	Welcome/ Overview of Master Planning activities
7:20-7:35	Who's in the room?
7:35-8:45	Future Development in Malden
8:45-9:00	Wrap-up/ Next Steps

PLEASE NOTE:

Tonight's meeting includes a scenario planning presentation which allows you to see and learn more about possible future growth and development in the city. These models are not a prediction of Malden's future. They are intended to show you the possible outcomes of current zoning and alternative development patterns. At this meeting, you can learn more about these scenarios and provide feedback to the Malden Planning team about your preferred development scenario.

Malden
Visioning Project.

Please participate.... participate.... participate....

- ❖ There are no set outcomes for this evening
- ❖ There are no right or wrong ideas or answers
- ❖ All workshop participants are equal in importance
- ❖ Wait your turn/ let the facilitator know you have a comment
- ❖ Time is limited, keep your comments/ ideas brief
- ❖ State your name the first time you address the group
- ❖ Turn negative comments into positive ones
- ❖ Try not to use acronyms or abbreviations
- ❖ Have fun – connect with neighbors old and new and learn more

These activities are generously funded by the City's Community Development Block Grant, as authorized by the Mayor and Malden City Council. The Metropolitan Area Planning Council is assisting with this project.
