The Malden Planning Board and Master Plan Steering Committee invite you to join fellow citizens and City officials at a **public forum**, part of on-going activities to implement the *Malden Vision*, a statement of the community's goals and a decision-making guide for future land use planning and development.

Participate in scenario planning exercises regarding **housing development** and **key roadway corridors**. Results will be considered when recommending revisions to the zoning ordinances consistent with the *Malden Vision*.

This project is part of **proactive master planning activities** of the Planning Board & Planning Department.

Malden Vision to Master Plan

The result of a year-long planning process and citywide public visioning activities, the *Malden Vision* was adopted by the Planning Board and endorsed by the City Council in 2008.

Come hear how the *Malden Vision* is being used as a springboard for our community's next planning initiatives, including formalization of a comprehensive Master Plan.

To learn more about the *Malden Vision*, visit www.cityofmalden.org then go to **COMMUNITY** and click on Malden Visioning Project.

Space is limited. Please RSVP at www.mapc.org/rsvp/Malden_RSVP.htm
