Monthly Meeting and Applicant Workshop

Hybrid

City Hall Room #108 (in-person)

Live streamed via Zoom (virtual)

On March 29, 2023, Governor Healey signed legislation extending certain COVID-19 relief measures including extending remote meetings for public bodies. The same provisions which permitted public bodies to meet remotely, or convene in a hybrid manner, have been extended through March 31, 2025. This extension allows public bodies to continue to meet remotely or to meet in a hybrid manner, without a quorum of the public body physically present at a meeting location. The law requires that a public body provide "adequate, alternative" access to remote meetings.

Additional information/guidelines for the public can be found here: <https://www.mass.gov/service-details/updated-guidance-on-holding-meetings-pursuant-to-the-act-extending-certain-covid-19-measures>.

Members of the public who wish to attend remotely can do so using the following information:
