Overview of Board/Commission

Please issue a brief statement about the general purpose and mission of your Board/Commission:

The Planning Board is the special permit granting authority for all residential, commercial and flood plain development in the City, except high-rise (6-12 story) residential development in the Central Business district; is the Site Plan Review Committee for drive-thrus; and Chairman serves as a member of the Site Plan Review Committee for the Residential Incentive Overlay Districts; the Rowe Quarry Reclamation and Redevelopment District; and the Malden Traffic Commission.

The Planning Board conducts public hearings with and makes advisory recommendations to the City Council regarding all amendments to the zoning ordinance.

The Planning Board applies state and local zoning laws (M.G.L., c. 40A and Chapter 12, Revised Ordinances of 1991, as Amended, of the City of Malden) and administers the state and local subdivision control law (M.G.L., c. 41).

The Planning Board is authorized to make a Master Plan and conduct master planning activities (M.G.L., c. 41, Section 81D); the Chairman currently serves as the Chair of the Master Plan Steering Committee and another member serves as a member of the Committee; and the Committee convenes monthly.

A member of the Planning Board serves on the Community Preservation Committee (M.G.L. c. 44B and Section 2.30, Revised Ordinances of 1991, as Amended, of the City of Malden).

6. **CHALLENGES:** Provide a brief description of three challenges this Board/Commission faces.

| | |
|----|--|
| 1. | Lack of preparation by petitioners, i.e., meeting in advance with City Councilor, neighborhoods, to resolve issues, address questions re: proposal. |
| 2. | Lack of resources (financial and personnel) for planning activities (master planning, special permitting and ad-hoc municipal). |
| 3. | Due to the on-going and extensive build-out trends in Malden, residential development proposals are very aggressive and challenge existing zoning, specifically, dimensional controls for density and open space; parking requirements; and ledge removal. |

7. **GOALS:** Describe three goals this Board/Commission has for the year ahead.

| | |
|----|---|
| 1. | Master planning activities: a) Continue review and prioritization of Implementation Matrix, <i>Master Plan (2010)</i> by Master Plan Steering Committee. b) Review Energy chapter requirements of State (M.G.L.c.41, Section 81D) and evaluate what surrounding communities are preparing for inclusion in Master Plans. c) Identify preliminary proposal and timeline for next update of Malden Vision and Master Plan with cost estimates. |
| 2. | Review Planning Board rules and procedures, consult with City Solicitor regarding existing protocol and new legal standards/requirements, update and revise rules and procedures as recommended and necessary; including review of filing requirements re: traffic impact studies. |
| 3. | Identify any opportunities for planning studies, initiatives or other work, which are eligible to be funded by Community Preservation Act monies. |
