PROJECT DESCRIPTION: *(Please include what community need this project is trying to address and how this project aligns with CPC goals)*

The hockey rink at Linden, Hunting Field is a treasured and under utilized recreational facility. By Restoring and adding freezing coils, Malden will once again be in a position to host community skating events and provide younger generations with the opportunity to learn to skate. Ice skating is a family activity that brings us all together as a community, particularly during the long winter months. Additionally this will provide an opportunity to highlight Malden as a city that believes in supporting all types of recreational activities.

AMENDED: Rehabilitation will include updating boards, adding plexiglass and other updates that meet the criteria for Capital Improvement as stated in M.G.L. 44b of CPA. Please see included statement from Stuart Sagino, Executive Director of Community Preservation Coalition.

PROJECT STATUS: *(Please include what level of planning has already been undertaken to inform the proposal)*

We are just beginning the planning of a restoration/recreation project. Funding opportunities and cost bids are being gathered.
