

Rules for visiting the Malden Community Garden Effective May 25th 2020

1. NO groups of over 10 people in each garden section.

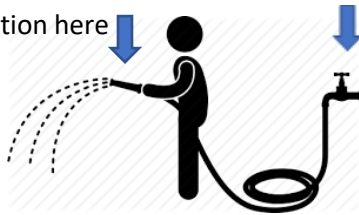

2. All participants must wear a face covering

3. **Wash and/or sanitize your hands** in the event they are sharing tools or other items.

In addition, all shared items (hoses, faucets) and tools must be sanitized after each use with a bleach solution provided by the community garden.

Spray bleach solution here

Spray bleach solution here

4. All trash and recycling **must be taken with you** when you leave.

5. Please practice Social Distancing. Maintain a 6' distance from others.
