Re: Linden Rink Renovation

Dear Ron Cochran,

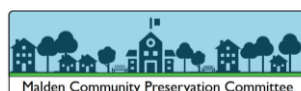

Thank you for submitting a Pre-application to the Malden Community Preservation Committee for the Linden Rink Renovation Project. The project, as described in the Pre-App, is found to be eligible for CPA funding, and the Committee invites you to submit a full application for consideration of funding. Full applications are due by Tuesday, September 12, 2023. Your project has been assigned number CPC_FY24_0013. Please keep that information for your records and use it on any follow up correspondence.

In reviewing your Pre-Application, the Committee raised the following questions or concerns which they will take into consideration when reviewing your final application:

- Clarify the desired timeline for construction and review by CPC
- Clarify the timeline for design of the facility using the existing FY22 award for the project
- Demonstrate community support for the project via a letter from the Linden School principal and/or PTO and proof of community outreach regarding the change in scope of the project

Full application forms and instructions can be found at <https://www.cityofmalden.org/313/Community-Preservation-Committee-CPC>. As always, we encourage you bring questions about the application process to the Coordinator, Daniel Koff, dkoff@cityofmalden.org, or to communicate with the Committee Co-Chairs by contacting Malden CPC at maldencpc@cityofmalden.org. You may also bring questions for the Committee to the Application Workshop which will be held at the monthly CPC meetings in July.

Very best regards,
Malden CPC
